THE SCHOOL DAY

The school hours are	8.55am - 3.00pm
Morning interval:	10.40am - 11.00am
Lunch:	12.30pm - 1.30pm
End of school :	3.00pm

Please ensure your child leaves home with enough time to get to school between 8.30am and 8.50am.

Children **ARE NOT** permitted to leave the school grounds during school hours. Parents/caregiver must come to the school office to collect the child and sign them out at the office so that all concerned are advised of the child's whereabouts. If he/she returns back to school later in the day, the child is to report to the office to sign in.

After school care programme - WINZ SUBSIDIES AVAILABLE

After School Care, is operated by SKIDS (Safe Kids In Daily Supervision Ltd) in our school hall. After School Care can be arranged for long or short term periods, weekly, specific days or emergency 'one off' occasions. Enquiries should be made to Ph. 576 6602 email: anchoragepark@skids.co.nz

ASSEMBLIES

School assemblies are held in the hall. All classes have the opportunity to share their learning several times throughout the year. Assemblies are held every fortnight on Fridays. See the newsletter or school calendar on our website for dates. Learning awards are presented to children for effort and achievement. Parents and other family members are welcome to attend.

ATTENDANCE / ABSENCES

It is essential we are informed everyday when your child is absent from school. Please phone the school (576 9175) any time leaving a message on the absentee line. You can also notify us through our website or school app (Skool Loop). Please be clear in stating your child's name, room number and the reason for their absence. If no reason is given, the absence will be marked as unjustified. If your child is absent due to sickness for 3 days or more, please send in a medical certificate to the office. **Each day the office will send a text/email to parents of children who have not arrived at school, and we have had no advice as to the reason for the absence, each morning after the roll call at 9.00am. We are required to keep accurate records of your child's school attendance, by the Ministry of Education, and high levels of absenteeism will be monitored.**

Please notify us in advance if your child is required to leave school at any time during the day, eg to attend a doctors or dental appointment. Especially if you need to pick them up during the lunch break time, before 12.45pm and after 1.30pm is best as it can take time to search for a child in the playground during this time and might delay getting to your appointment.

BICYCLES

Children are not permitted to bring bicycles/skateboards/scooters to school during the school term except on a 'Wheels Day'.

CHILDREN'S PERSONAL PROPERTY

Please make sure that **ALL** your child's/children's clothing - shoes, socks, sweatshirts, coats, lunch boxes - are **named**. This helps us return lost and unclaimed property to its owner promptly. **LOST PROPERTY** is collected and placed in the grey lost property bins outside rooms 7 and 4.

CONCERNS

You are welcome to contact the school at anytime if you have concerns about your child. Please call the office (09 576 9175) or email (office@anchoragepark.school.nz) to make a time to meet with the class teacher. .

DENTAL TREATMENT

Free dental treatment is offered by the Auckland Regional Dental Service. If your child is new to the country or has not had any previous appointments, please complete the enrolment form available at the office.

EDUCATIONAL TRIPS

The process of learning and understanding is greatly enhanced by direct experience. It is likely that your child will have the opportunity to participate in educational trips. Parent support is often needed with transport and

supervision and written notification regarding class visits will be sent home by teachers concerned. Your assistance will be highly valued.

FIRE / EARTHQUAKE/LOCKDOWN DRILLS

These are held regularly throughout the year – this ensures all children and staff know what to do should these events happen.

FIRST AID & MEDICATION

All staff hold current first aid certificates. Minor problems will be treated in the first aid room and then the child is returned to class. If a child requires emergency attention, an ambulance will be called and every effort will be made to contact parents immediately. For this reason, **parents should ensure that all telephone numbers are kept up-to-date on school records.** Please note that if your child receives a head injury at school we will contact a parent/caregiver to come and collect the child immediately.

Where it is necessary for medication to be administered to your child during school hours **we require written and signed permission**, accompanied by detailed instructions of medication, dosage and time to be given. Forms are available from the office.

**PLEASE ENSURE THE SCHOOL IS KEPT INFORMED OF ANY CHANGES OF PHONE NUMBERS
INCLUDING THE CURRENT WORK NUMBER FOR PARENTS / CAREGIVERS**

HEADLICE (NITS)

This can be a very contagious problem that all schools face; therefore it is imperative that long hair is tied back before coming to school. To reduce the risk of headlice, daily hair brushing and regular hair washing is essential and it always pays to check your child's hair on a regular basis. Our Health Nurse can help if you have any concerns.

HEARING & VISION TESTING

Hearing and vision checks are usually conducted once a year by the Ministry of Health. The Health Nurse will contact you with any concerns arising from the tests. We ask for your consent to these tests when you enrol your child.

HOME LEARNING

Home learning is an extension of the school programme and supports, enhances, and consolidates teaching and learning. It provides a positive link between home and school.

Teachers:

- Outline expectations, routines and suggested time requirements for home learning to students and parents at the start of the year
- Set home learning that reflects students' individual needs and changing ages and stages, and reinforces teaching and learning at school.

While students are attending primary school they are often involved in many other activities after school hours and participation in these activities is a very important part of educational and personal growth. We therefore aim for a balance between developing the habit of regular homework and leaving sufficient time for students to have time for other activities.

LEARNING ASSISTANCE

Students who are identified as requiring extra support, will receive this through learning support staff. This includes English for speakers of other languages Excellent attendance is a requirement for students to benefit from the extra support. Additional assistance is sought from Ministry of Education support agencies when required e.g. Special Education, Speech Language Therapy and Resource Teachers of Reading, Learning and Behaviour.

LIBRARY

Our library is open at lunch time for children to borrow books. If books are lost or damaged, a charge of \$20.00 per book will be made. One of the most worthwhile contributions you can make to your child's education is to encourage home reading. It is essential that you continue to read **TO** children at least until Year 6 and extend the range of books they become familiar with. They will undoubtedly become lifelong readers if you do this.

LUNCHES

We encourage healthy lunches and ask that you don't send sweets, fizzy drinks or energy drinks (which have high levels of caffeine) to school. **Children are not permitted to leave the school grounds at break time or lunchtime to buy lunches.**

LUNCH EATING ARRANGEMENTS

- Teachers supervise children eating their lunch from 12.30 - 12.45pm.
- Children who have not finished at this time are encouraged to continue eating until they have finished.
- Please ensure your child's lunch box is named and their water bottle is in an unbreakable, named container.

Please let us know if you or your extended family have special skills/interests which could be useful in our classroom programmes (eg, Art, Sport, Languages, Cultural or Computing) or around the school environment (e.g. gardening, building) as we value being able to draw on expertise from within our school's community.
